

# Silent Auction

Tricky Trina and Missouri Marshal are putting up a pair of Taylor's & CO "Island Girl" Revolvers for a silent auction. These are .38 Spl. cal., 4 3/4 in. barrel, one-piece ivory checkered polymer grips, beveled cylinder, Ruger style coil spring, nickel finish, fire blued screws. Mfg. 2006-2007. These are like new with about 100 rounds fired through each. Have never been used in a match. Front sights have been filed to adjust point of aim/impact. I do not have the boxes or papers for them. All proceeds will be donated to the American Cancer Society so bring your checkbook and lets honor Sassy Shooting Sours memory.

**The minimum bid is \$1200.00 for the pair**
